Subject: Early Retirement Bill

Jim see below from my union :

Early Retirement Bill Hearing Scheduled

Just today, the union received word that SB 1868, which would allow all Group 1 and 2 employees to add 5 years of age OR 5 years of service OR some combination of the two if they retire within one year, will have a hearing on May 17th at 1:00 in room B-1 of the State House.

The union will be testifying in support of the bill and we'll ask our members to contact their legislators. Passing an early retirement bill won't be easy so we'll need everyone's help. Watch for an e-mail the Monday of the week of the hearing and be sure to contact your State Senator and State Representative then!

Talk to you later Mike
